This lot is located in the beautiful Rock J Ranch, this historical ranch of more than a thousand rolling acres breaks new ground with a championship 18 hole golf course. Set amidst ancient sea beds and limestone canyons, the course features wide open fairways with natural springs and creeks meandering throughout. Preserving the historic presence of the ranch is most important with some of the 150 year old homes and landmarks being incorporated into the clubhouse and golf course design. Vaaler Creek Golf Club at the Rockin' J opened all 18 holes July of 2009.
